

Department of Pediatrics,
All India Institute of Medical Sciences, Jodhpur
Under the aegis of
Indian Academy of Pediatrics, National Respiratory Chapter
organizes

ATM (Asthma Training Module)

at AIIMS, Jodhpur on 3rd May, 2022 (Tuesday)
on the occasion of World Asthma Day

Respected Seniors and friends,
Childhood asthma is one of the most common respiratory illness both in office practice as well as emergency department. Asthma poses not only diagnostic dilemmas, but also confusing options in its optimal management.

IAP National Respiratory Chapter has been a major player in improving the care of this condition. The ATM (Asthma Training Module) is the flagship tool for disseminating the guidelines & has been one of the most popular and successful program of IAP National Respiratory chapter.

A major revision of ATM has been done in 2021 where effort has been made to make it evidence based and more relevant for PG students, faculties and practicing pediatricians alike.

The Department of Pediatrics, AIIMS, Jodhpur cordially invite you to the ATM, for an interactive session.
