TO WHOM IT MAY CONCERN

This is to confirm that Turnitin LLC, U.S.A licenses cloud-based software services for use by ACADEMIC — (HIGHER EDUCATION/RESEARCH INSTITUTIONS) in India on an Annual Subscription basis.

An institution can activate a campus-wise subscription of Turnitin's software-as-a-service (SaaS) applications by providing end-user licenses to all Full-time Equivalents (FTE) at the licensed campus for Faculty and Research Scholars whose papers/assignments are required to be checked either personally or by another user. An institution having more than one campus can provide end-user licenses to Full-time Equivalents (FTEs) across its multiple campuses by opting for a multi-campus subscription. This subscription model enables institutions to empower their Faculty and Research Scholars with end-user licenses for similarity checking services in keeping with the objective of India's policy makers to build a culture of academic & research excellence by promoting original writing & critical thinking skills.

The Annual Subscription Fee is revised annually to cover factors such as cost inflation, product investment, additional end-user licenses, etc. In any subscription year, the fee payable by an institution is based on:

1. The number of end-user licenses that the institution has subscribed.
2. Additional services that have been subscribed by the institution apart from end-user licenses,
and
3. In case of institutions renewing their subscription, the no. of years for which the institution has had an active subscription of a particular Turnitin application/service.

The Subscription Fee quoted to All India Institute of Medical Sciences, Jodhpur for its Subscription of iThenticate with reference to Quote Number: Q-222103-1 is based on the no. of end-user licenses required for its FTE Faculty/Research Scholars and includes the standard campus License Administration Fee. This quote is provided in terms of Turnitin's subscription pricing for academic (Higher Ed)/Research institutions as applicable w.e.f. January 2018.

Turnitin follows a standard annual subscription pricing policy for Higher Education/Research Institutions and, therefore, any other stand-alone academic (Higher Ed)/Research Institution that activates a new subscription of iThenticate in 2018, in the same circumstances and for the same number of end-user licenses and additional services as being subscribed by All India Institute of Medical Sciences, Jodhpur, will be charged the same annual subscription fee.

Sincerely,

Laura DiPiano for Chris Caren, CEO
